Announcement: Caliber Signs Agreement with Ogena Solutions

Date: 19 February 2020

Caliber Sales and Consulting has finalized an agreement with Ogena Solutions, merging our ongoing efforts and cementing an already strong relationship.

The agreement between Caliber and Ogena includes mutual services benefitting both parties, including rights in the US Animal Health market, and a retainer for Caliber to provide consultative and other services to assist Ogena in its quest to enter the US Federal marketplace.

Ogena Solutions has a long-standing reputation in North America for providing the highest quality infectious disease prevention and control products to Animal Health. It has worked tirelessly to the benefits of Veterinary and Shelter medicine, as well as the Pet Grooming and Boarding communities. Caliber is proud to represent Ogena not only in Animal Health, but also in other markets where Ogena’s products have wider applications.

Caliber is honored to partner with as reputable an organization as Ogena Solutions and we look forward to many years of future successes!
